Problem: How to provide space to store inactive agency records until it is expedient to construct an addition to the Records Center

1. Expansion within present Records Center
   (a) Storing boxes 11 high = 4000 cu ft.
   (b) Add shelving to aisles = 2000 cu. ft
   (c) " " " " processing areas 2000 " "
   (d) Replacing cabinets with shelving = 140 " " (net gain)
   8140 cu. ft.

   It is estimated that this space would last until December 1957

2. Acquisition of other space
   (a) 501 26th St. - see file
   (b) Army Records Center - see file
25X1 (c) [redacted] - see file

3. Review of Record Control schedules and Center holdings
   (a) DD/I = 1016 cu ft will be destroyed (846 cu ft Jan 15)
   (b) DD/S = Review in process
   (c) DD/P = ?
